FIG-3

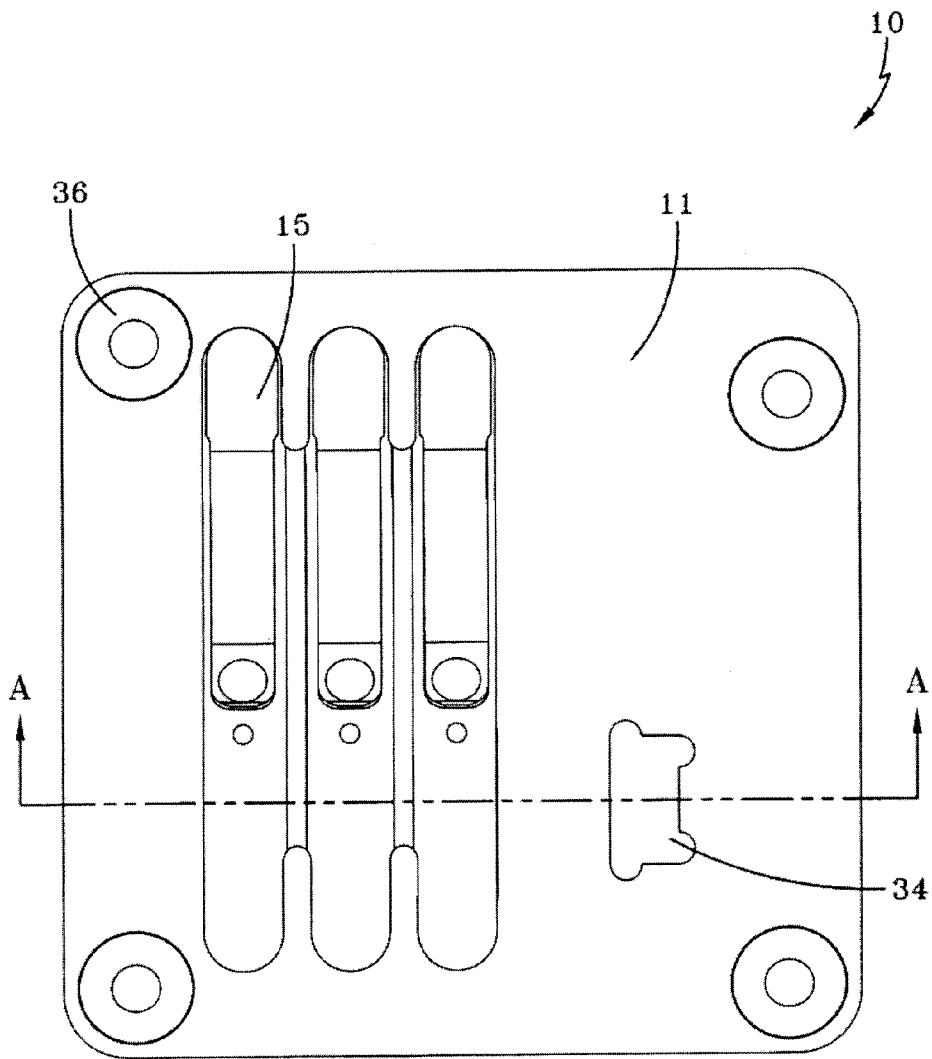

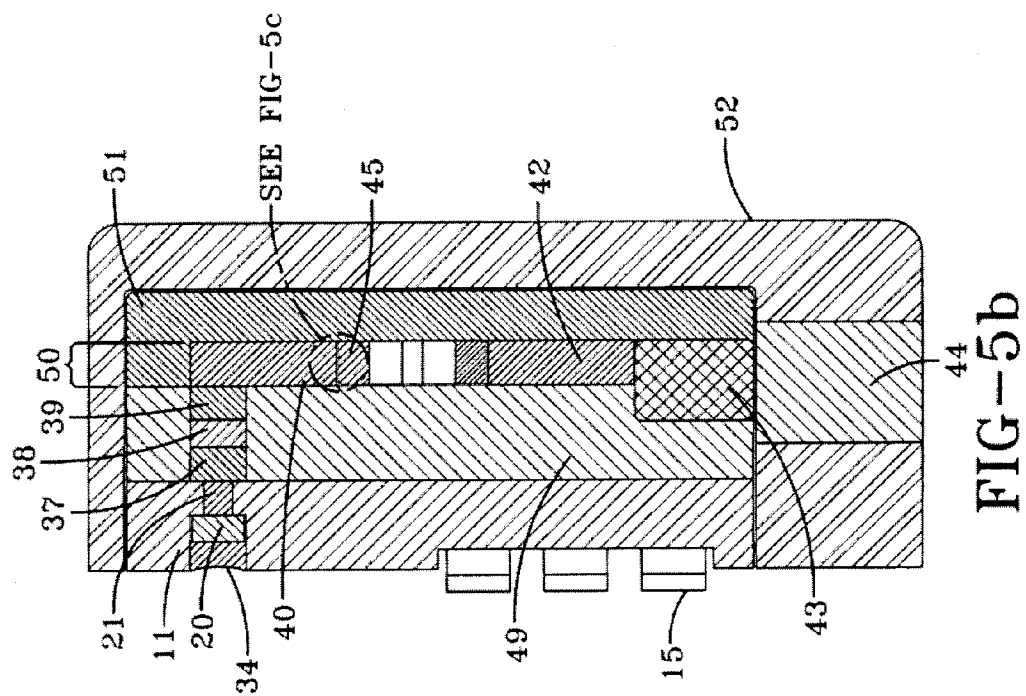

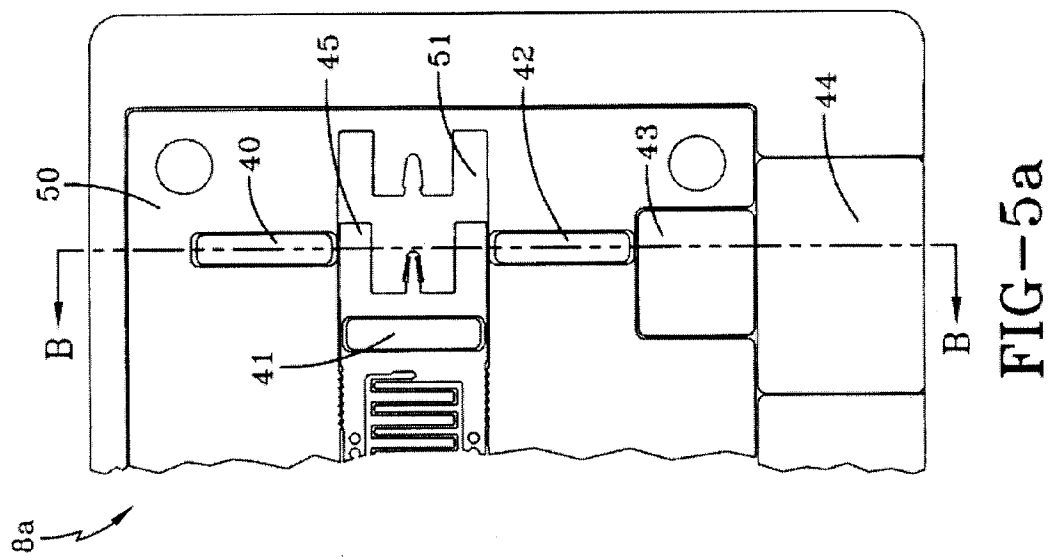

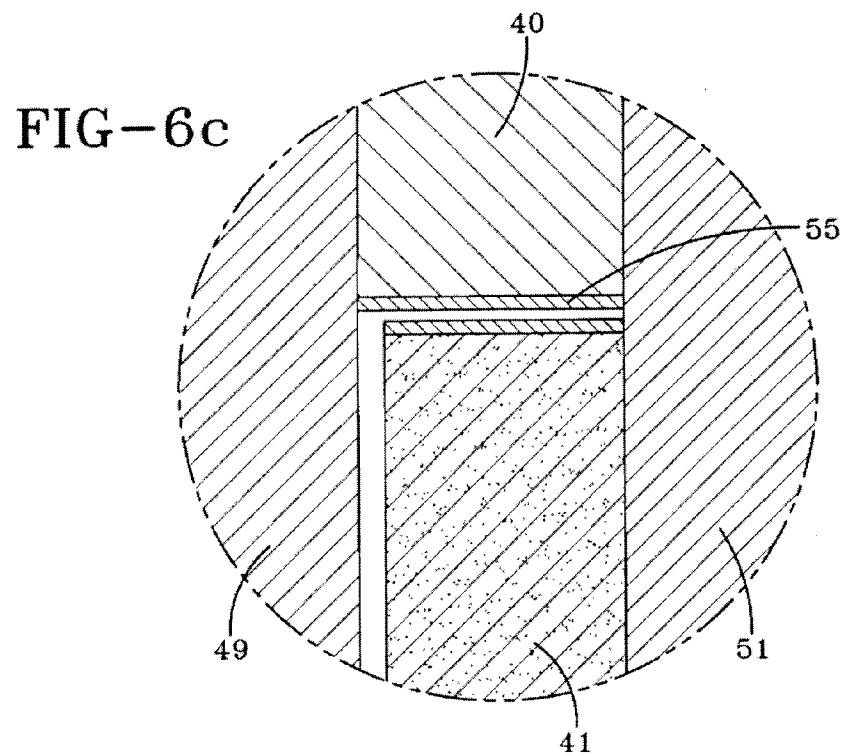

FIG-4

**FIG-5c**

FIG-5c is a cross-sectional view of a circular device. The device has a circular outer boundary (40) and a central rectangular region (45). The central region is divided into two parts by a horizontal line (55). The left part of the central region is labeled 49, and the right part is labeled 51. The entire device is filled with diagonal hatching lines.

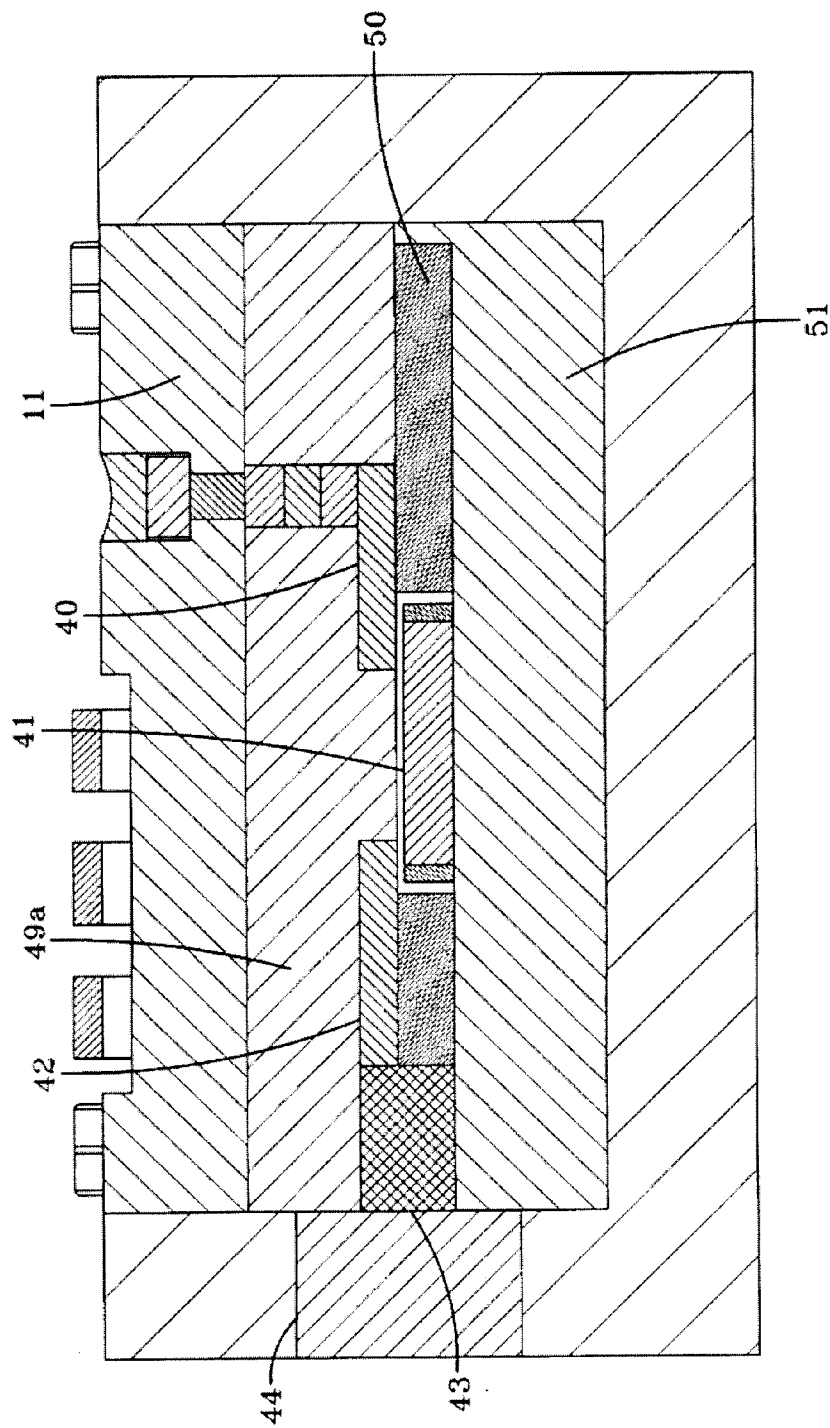

FIG-6d
